PEOPLE + AI = POWER MOVES

You Don't Need a Bigger Team.

You need one tool, set up the right way — and the right person to show you exactly how.

THE REAL PROBLEM

You're Doing $15/hr Work With a $15M Brain.

Writing emails. Chasing leads. Posting content. Every hour spent on that is an hour you're not doing what only *you* can do.

~~Manual follow-up~~ ~~Generic content~~ ~~Wasted hours~~

THE SHIFT

Claude Isn't a Chatbot. It's a System.

When it's set up right —

Claude handles the work that's draining you — content, follow-up, research, workflows — so you can focus on what actually grows the business.

WHAT YOU WALK AWAY WITH

You Build It. Live. That Day.

⚙ **Claude configured to YOUR business**

Voice, workflows, and systems built on Day 1

✍ **Content that sounds like YOU**

Not robotic — built on your actual voice

↺ **Workflow automation that works**

Hand off the tasks draining your time

◎ **Prompting that converts**

The difference between meh output and results

□ **John's Claude Starter Kit**

Prompt library + templates — take home and deploy

IS THIS YOU?

This Day Was Built For You.

- → Spending 10+ hours/week on tasks Claude could handle
- → Tried AI tools before — never got real results
- → Coach, consultant, or service provider running lean
- → Know you're not getting 10% of what Claude can do
- → Ready to stop leaving money on the table
